SEPTEMBER 23 – NOVEMBER 18

### WEEK 1 Playing with Fire – Samson & Joseph

For whatsoever things were written in times past, were written for our learning, that we through patience and comfort of the Scriptures might have hope. **Romans 15:4**

Equipped to teach (families), to lead (other men), and to guide (counsel).

Both men are raised in spiritual homes - are we living up to God's calling?

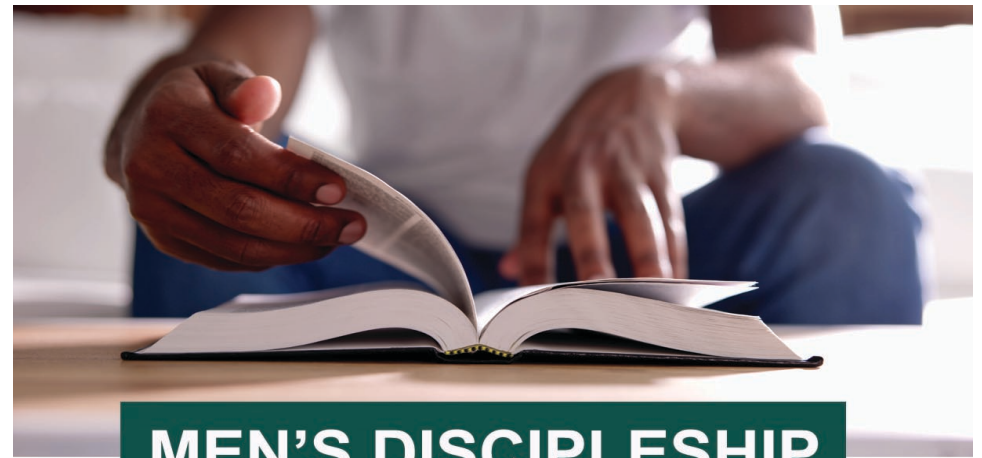

Sin is deceitful (**Hebrews 3:12-13**). All sin has a history (**James 1:13-15**).

Samson's troubles are self-inflicted, he couldn't master himself.

Samson flirts with trouble, he didn't tell her the truth because he knew she was trouble.

## KEYS TO JOSEPH'S SUCCESS

**Stewardship** - someone who will give an account to another. God's total authority over our lives - He is Lord not just Savior. Temptation is always a battle for authority.

**Conviction** (what is right and wrong) was established before the temptation. Are we men under authority or will we make our own rules?

**Integrity** - what he believed, what he said and what he did were consistent.

**Healthy Fear of Himself**- a time to run away - Matthew 5:27-32

**Healthy Fear of God** - great wickedness and sin against God v.9 not trying to justify or find a loop hole.

Questions:

1. What stuck out to you from the two stories?
2. Where do you turn when living the Christian life and resisting the world becomes difficult?
3. What examples have you seen in your life of men who were like Samson or like Joseph - how did it impact you?
